

2022 FALL EDITION

A TRAINING DAY ON CLIMATE ISSUES

co-designed by ecoDa and Chapter Zero Brussels

COURSE

CLIMATE AND BIODIVERSITY: TOPICAL ISSUES FOR BOARD MEMBERS

25th of November 2022

Chapter Zero Brussels and ecoDa (The European Confederation of Directors' Associations) joint course gives board members and other governance professionals what they need to know to become climate-competent to complete their company's transition successfully. More granular topics will be explored, including how to define a differentiating and meaningful corporate purpose, what are the new ESG reporting requirements board members have to comply with, how to spot sustainability risks and opportunities...

This course is part of ecoDa's European Board Diploma, but can be attended on a stand-alone basis.

ABOUT ECODA

The European Confederation of Directors' Associations (ecoDa) is a non-profit association founded in December 2004 under the laws of Belgium. Through its membership of 20 national institutes of directors (the main national institutes existing in Europe), ecoDa represents around 55,000 board directors from across Europe. ecoDa's member organisations represent board directors from the largest public companies to the smallest private firms, both listed and unlisted.

ecoDa's Missions

- I. To promote the role of directors, to develop professionalism and European governance standards;
- II. To influence the European decision-making process related to Corporate Governance;
- III. To provide services to its members, mainly by providing information regarding relevant European issues;
- IV. To facilitate the development of national director institutes dealing with Corporate Governance in Europe and attract new members.

ABOUT CHAPTER ZERO BRUSSELS

Chapter Zero Brussels' vision is to leverage the central position of Board of Directors, the European Union Institutions and the World Economic Forum in the fight against Climate Change, to reduce global emissions and ensure a sustainable future for all.

The non-profit organization empowers Board of Directors across Belgium and the EU to ensure climate accountability and act on reducing GHG emissions resulting directly and indirectly from their companies activities.

Activities are focused on:

- Empowering: Chapter Zero Brussels provides first-class knowledge programs, fact-based content, practical tools and best practices to empower directors to act.
- Connecting: Chapter Zero Brussels provides a network for directors to connect and exchange best practice among themselves, with key experts and stakeholders. Chapter Zero Brussels ensures dialogue with leading EU officials on pertinent climate policy topics.
